HOSPITALITY MOBILE SOLUTIONS

4900 WEST ELECTRIC AVENUE | WEST MILWAUKEE, WISCONSIN 53219 USA
(800) 558-8565 | INFO@ELAKESIDE.COM | WWW.ELAKESIDE.COM

You can create a lot of history in 80 years, and the team here at Lakeside understands that more than just about anyone. We were founded by a World War II Navy veteran who decided he didn't want to work for anyone else, and from those very first days until now, the same sentiment exists -- Lakeside can make it happen, and we're going to have fun doing it.

Now, that brings us to the stories. Being successful for so many decades as a "can-do" company doesn't just happen. You have to learn from the "can't dos" first. Our history here at Lakeside has led us from barbecue grills to wooden playhouses and from cadaver coolers to motorized wheelchairs. We've gone from the shores of Lake Michigan to the beaches of St. Croix, and we've had periods of time when we've focused internally and then opened the windows -- quite literally -- and listened to the outside world. There are hundreds of anecdotes in between, and all of them add up to a single point:

“There are reasons and stories behind everything we manufacture, and they’ve helped us refine our products to be the best in the industry.

ROOM SERVICE TABLES

413 Standard Square Table

36 in x 36 in x 30 in

Standard Square Table Room Service Tables by Lakeside Manufacturing easily stores and transports for serving meals with style at anytime. Fastest in industry lead times from Lakeside's factory in the USA.

- Gray sand laminate over durable plywood creates a scratch and burn resistant top, remains clean and attractive for long use.
- Full-length piano hinges securely hold leaves for added strength and capacity.
- Tables accommodate one or two Lakeside food carrier boxes (also accommodates most other brands of food carrier).
- Regular style features smooth-sliding hardwood pull-out supports to add sturdiness to drop leaves.
- Fold-up style saves valuable storage space.

415 Fold-Up Round Table

40 in x 40 in x 30 in

Standard Round Table Room Service Tables by Lakeside Manufacturing easily stores and transports for serving meals with style at anytime. Fastest in industry lead times from Lakeside's factory in the USA.

- Laminate over durable plywood creates a scratch and burn resistant top, remains clean and attractive for long use.
- Full-length piano hinges securely hold leaves for added strength and capacity.
- Tables accommodate one or two Lakeside food carrier boxes (also accommodates most other brands of food carrier).
- Regular style features smooth-sliding hardwood pull-out supports to add sturdiness to drop leaves.
- Fold-up style saves valuable storage space.

MOBILE HAND WASHING STATIONS

9610 Hand Washing Station with Hot and Cold Faucet

38.5 in x 32.5 in x 45 in

Hand Washing Stations by Lakeside Manufacturing provide worker hand sanitation in remote serving locations with compact and self-contained functionality. The Lakeside 9610 Hand Washing Station with (1) 10" x 12" x 5" sink bowl and hot and cold faucet has a 10 gallon fresh water capacity for approximately 70 hand washings. Includes hot running water and twice the water and waste capacity. Hot water heater has 2-1/2 gallon capacity and heats in 15 minutes for efficient service. Standard with two 7 gallon wastewater tanks. Pump features automatic water demand - no priming, smooth water flow, backflow protection - no fresh water contamination, 150 PSI operating pressure and overheat cut-off protection. Water heater features adjustable thermostat (110°F - 170°F), replaceable heating element, corrosion-resistant bronze tank, 150 PSI operating pressure and on/off switch on unit. Modifiable to meet your needs. Superior lead times. Made in the USA.

- Built-in fresh water supply for sanitary handwashing and waste water storage.
- Sink and cabinet are constructed of durable, easy to clean and sanitize stainless steel.
- Sink bowl is 10" x 12" x 5" (254 x 305 x 127 mm) deep.
- Heavy-duty chrome plated brass faucet has easy-to-use on/off paddle handle.
- Chrome plated soap dispenser is securely mounted next to the sink.
- Locking door latch prevents unauthorized access to the interior.
- 5" no-mark cushion-tread wheels, 2 swivel w/ brake and 2 fixed, for easy navigation.

CONDIMENT STATIONS

70201 E-Z Serve Mobile Condiment Cart

50.25 in x 27.5 in x 48.5 in

E-Z Serve Condiment Carts by Lakeside Manufacturing are simple to use, help reduce labor, and save costs. The Lakeside 70201 E-Z Serve Mobile Condiment Cart has (8) flat top pumps that dispense up to (4) products. Nobody beats Lakeside lead times! Proudly made in the USA.

- No electrical power, no CO2 bottle, and no refrigeration needed.
- Pumps can be easily cleaned in place or disassembled for a more thorough cleaning.
- Supply hoses will not deteriorate when exposed to acidic condiments nor become dry and brittle with age.
- One connector fits all 3-gallon condiment pouches for easy hook-up.
- Narrow size is easy to maneuver into the elevator, down corridors, and into serving areas.

70510 Condi Mobile Express Cart

51.5 in x 25 in x 50 in

Condi Express by Lakeside Manufacturing replaces costly serving packets with a cart that rolls wherever you need it. The Lakeside 70510 Condi Mobile Express Cart has a 36.5" tall counter with (4) pump dispensers and (2) cup dispensers. Nobody beats Lakeside lead times! Proudly made in the USA.

- Dispensers housed in recesses to hold them securely and neatly in place.
- Wide counters provide handy space for customers to prepare their food.
- Sliding door conceals interior contents; located on the serving side for quick access when placed against a wall.
- Narrow size is easy to maneuver into the elevator, down corridors, and into serving areas.

QUEEN MARY BANQUET CARTS

565 Queen Mary Banquet Cart, 4 Shelf, All Edges Turned Down

Lakeside's tough transport banquet carts make it easier to handle an extra heavy load over various uneven surfaces. Nobody beats Lakeside lead times! Proudly made in the USA.

- U-shaped tubular frame provides superior strength.
- All shelf edges down for easy loading and unloading from all sides.
- All welded angle leg construction for a stronger structure and easier-to-clean surface.
- 1000 lb. (450 kg.) capacity is ideal for continuous heavy transport of heavy loads over a variety of floor surfaces.
- Extra load no-mark cushion tread wheels absorb impact for quieter and smoother operation.
- 2 fixed and 2 swivel 8" casters guide cart in a straight line, while making turns easier.
- Stainless steel is easy to clean and sanitize.
- Extended perimeter strip bumpers add extra protection for walls and furniture.

SOILED DISH BREAKDOWN CARTS

B587 Soiled Dish Breakdown Cart with 1 Flat, 3 Angled Shelves

67.75 in x 30.88 in x 69.25 in

Lakeside's innovative breakdown cart saves labor and reduces breakage by presorting soiled dishes close to the point of service. Made in the USA.

- 1 Flat shelf features side and back rails to securely hold bus tubs and silverware containers and prevent spills.
- 3 Angled shelves pitched at 20° to easily reach and organize glass/cup racks.
- Angled shelves also feature a drain system with a clear plastic drain tube to avoid wet floors and accidents.
- Tubular push handles on both sides allow pushing or pulling from either end to better navigate confined areas.
- 14 gauge shelves are extra strength to support heavy dishes. 70" long shelves include angle reinforcement for added support.
- All-welded U-shape construction for a stronger structure and easier-to clean surface.
- Marine guard front edges on flat shelves prevent drippage.

- Large 8" no-mark casters make it smooth and easy to transport cart to the dishwashing area or away from wall to clean.
- Slides below bottom shelf accommodate a 12" x 20" x 2" drain pan.
- Built-in food scraper with plastic hanging waste bins clean mess quickly and easily.

SPEED RACKS

8580 Oval Tray Cart with Standard Ledges

27.5 in x 24.75 in x 69 in

Extra strength ledges will keep you worry-free when transporting and serving large parties and banquets. The Lakeside 8580 Oval Tray Cart is listed as NSF and is made of aluminum with standard ledges, for 22 x 26 7/8-in. oval trays with a 10-oval tray capacity. Nobody beats Lakeside's lead times. Made in the USA.

- Extra gussets are welded in all corners to prevent alignment "racking" and distortion, so your trays stay level and steady.
- Four 1" continuous heliarc welds per angle guide add strength in areas vulnerable to stress for long-lasting durability.
- Standard ledge type with 10 ledges.
- 6" ledge clearance.

UTILITY CARTS ELECTRIC

173670 Electric Utility Cart

40.75 in x 21.5 in x 40.25 in

Stainless Steel Electric Utility Carts by Lakeside Manufacturing are ideal for hauling heavy loads over long distances and up and down inclines. The Lakeside 173670 Electric Utility Cart has (3) shelves measuring 21" x 33" with a weight capacity of 700-Lbs. Industry leading ship times from Lakeside's U.S. factory. Proudly made in the USA.

- Battery-powered integrated hub motor wheels provide safe, easy power assist.
- Dual hot-swappable rechargeable batteries provide hours of continuous use.
- End-mounted motion control panel with battery level meter.
- Forward and reverse controls allow operator to push or pull cart.
- Emergency stop feature to ensure operator safety and prevent injuries.
- All-welded stainless steel heavy-duty construction is easy to clean and sanitize.
- Two all-swivel 6" wide-tread non-marking with brake, and two 6" hub motor powered rigid wheels.

UTILITY CARTS PUSH-PULL

163421 Push-Pull Utility Cart

38 in x 21 in x 41.75 in

Push-Pull Utility Carts by Lakeside Manufacturing provide flexibility of pushing and safely pulling actions when hauling heavy-duty loads. The Lakeside 163421 Push-Pull Utility Cart with (3) shelves measuring 21" x 33" has a weight capacity of 700-Lb. Endless variety of customizable options. Superior lead times. Made in the USA.

- Transport up to 3x more and make 3x fewer trips when towing multiple Push-Pull Utility Carts.
- Stay out in front while pulling for full visibility of the path ahead and safe navigation of crowded spaces.
- Take full strides with the Push-Pull Handle and reduce ankle contact while pulling.
- Push-Pull Handle with integrated latch lowers for pulling and towing multiple carts.
- On-board stowable drawbar system includes hitch receiver bushing to reduce friction and component wear, plus convenient on-board storage for the optional drawbar when not in use.
- Optional #169168 Stowable Drawbar with on-board storage required to connect multiple Push-Pull carts.
- All-welded stainless steel construction is easy to clean and sanitize.
- Durable 700-Lb. (300 kg) capacity is ideal for the continuous moving of heavy loads over most standard floor surfaces.

UTILITY CARTS PUSH-PULL TRAILING

170867 Push-Pull Trailing Cart

38.63 in x 22.38 in x 37.13 in

Push-Pull Utility Carts by Lakeside Manufacturing provide flexibility of pushing and safely pulling actions when hauling heavy-duty loads. The Lakeside 170867 Push-Pull Trailing Cart with (3) shelves measuring 21" x 33" has a 700-Lb. weight capacity. Endless variety of customizable options. Lakeside has unbeatable lead times. Made in the USA.

- Able to tow multiple utility carts, for ultimate flexibility with stowable drawbar.
- Fixed front wheels help guide cart in a straight line, while making it easier to navigate corners.
- Angled "U"-shaped frame design provides superior structural strength for larger loads.
- All-welded construction for a stronger structure and easier to clean surface.
- No-mark, extra load, cushion tread wheels absorb impact, reducing vibration and strain.
- Bumpers on legs and handles protect walls and furniture.

UTILITY CARTS STANDARD DUTY

311 Stainless Steel Utility Cart

27.5 in x 16.25 in x 32.13 in

Stainless Steel Utility Carts by Lakeside Manufacturing are ideal for dining area bussing, set-up, tray or soiled dish station, light duty transport and storage. The Lakeside 311 Stainless Steel Utility Cart with (3) shelves measuring 15-1/2" x 24" has a 300-Lb. weight capacity. Endless variations and feature combination. Industry leading ship times from Lakeside's U.S. factory. Proudly made in the USA.

- Bumpers on legs and handles help protect walls and furniture.
- All-welded angle leg design provides durability.
- Sound deadening material under shelves restricts vibration and reduces noise.
- Reinforced, hemmed front adds strength where the cart is most vulnerable to stress.
- Stainless steel is easy to clean and sanitize.
- Unitized electronic welding is used to fasten shelves and handle to the frame.
- Fits up to three standard 15" x 20" (381 x 508) bus boxes.

UTILITY CARTS MEDIUM DUTY

444 Stainless Steel Utility Cart

- Angled "U"-shaped frame design provides superior structural strength for larger loads.
- No-mark, extra load, cushion-tread wheels absorb impact, reducing vibration and strain.
- Stainless steel is easy to clean and sanitize.
- Leg bumpers protect walls and furniture.

UTILITY CARTS EXTREME DUTY

8820 Extreme Duty® Stainless Steel Utility Cart

36.5 in x 21.25 in x 37.22 in

Stainless Steel Utility Carts by Lakeside Manufacturing are ideal for 24-hour operations and correctional applications, moving loads of dishes and flatware, and constant moving of extreme loads over various indoor and outdoor surfaces. The Lakeside 8820 Extreme Duty Stainless Steel Utility Cart with (2) shelves measuring 21" x 33" has a weight capacity of 1500-Lb. Lakeside is proudly made in the USA with customizations modified to your needs. Nobody beats Lakeside lead times!

- Angled "U"-shape design virtually eliminates stress points in the frame.
- 1" thick square tubing reinforcement under 14-gauge shelves withstands heavy object drops, even on shelf edge.
- Fully welded joints ensure even vulnerable points are as rugged as possible, no pry points.
- No-mark, extra load, cushion tread wheels absorb impact, reducing vibration and strain.
- Stainless steel is easy to clean and sanitize.

ENCLOSED BUSSING CARTS

610 Enclosed Bussing Cart

27.75 in x 16.5 in x 32.75 in

Enclosed Bussing Carts by Lakeside Manufacturing transport and store while keeping items hidden out of sight. The Lakeside 610 Enclosed Bussing Cart with (3) shelves measuring 15-1/2" x 24" has a weight capacity of 300-Lb. Endless variation and product features. Industry leading ship times. Lakeside is proudly made in the USA.

- Holds up to two standard 15" x 20" (381 x 508) bus boxes inside and one on the top for increased capacity.
- Stainless steel interior prevents odor retention from spills.
- All welded angle leg construction is durable and easy to clean and sanitize.
- Reinforced 22-gauge stainless steel shelves absorb stress from frequent load drops.
- Top shelf has (3) shelf edges up, (1) down to hold items in place during transport.
- Choose from a variety of popular vinyl and laminate finishes to match your décor and impress your guests.
- The dependability of stainless steel with a smartly styled exterior finish combines the best of both worlds.

TRAY DISPENSERS

2818 Mobile Tray Dispenser with Cantilever Platforms

47 in x 27.25 in x 36.5 in

This cantilever dispenser conveniently and ergonomically distributes trays to your customers. The Lakeside 2818 Mobile Cantilever Tray Dispenser is open with (2) platforms that fits 14 x 18-in. trays and a 300 tray capacity. Nobody beats Lakeside's lead times. Made in the USA.

- Open on three sides cantilever dispensing is easier to load, provides flexible storage and is a lighter design for easy transport.
- Spring tension keeps trays and racks at the proper height for dispensing to minimize back strain.
- Adjusting the height level is easy and convenient, simply detach and attach springs as needed.
- Handy platform base stores used or empty trays or racks for added storage.
- All 4" swivel casters, 2 with brake, allow easy maneuverability.
- Stainless steel construction increases durability.
- Stainless steel material is easy to clean and sanitize.
- Corner bumpers protect walls and furnishings.

999 Mobile Tray Dispenser with Enclosed Sides

23.75 in x 19.88 in x 36.13 in

Project: Condiment Cart with Double-Sided Food Guard

Custom & Modifiable

EXPLORE A CUSTOM CONDIMENT CART DESIGNED TO PROTECT SELF-SERVICE OFFERINGS WHILE KEEPING CONDIMENTS ACCESSIBLE FROM BOTH SIDES.

BACKSTORY

Built for busy self-service cafeterias, this condiment cart centers on a double-sided food guard that helps protect chilled toppings and condiments while keeping them accessible from either side. Eight condiment pumps give multiple diners access at one, while two full-size eutectic pans keep chilled offerings ready to serve. Fold-down tray slides provide added space for diners, and pass-through locking doors keep backup supplies secure and accessible. A tubular handle supports easier transport, corner bumpers help protect nearby surfaces, and swivel and rigid casters improve maneuverability, with brakes holding the unit securely in place during use.

DESIGN/CONSTRUCTION

- 430 Stainless Steel Welded Construction
- 200 Series Stainless Steel Top
- (8) P4100 Condiment Pumps
- (2) Full-Size Eutectic Pans
- Double-Sided Sneeze Guard
- (2) 8" Wide Fold-Down 200 Series Stainless Steel Tray Slides
- Pass-Through Locking Stainless Steel Sliding Doors with Key
- (1) Tubular Handle
- Corner Bumpers
- 5" Casters, (2) Swivel with Brakes, (2) Rigid
